A MESSAGE TO THE MASSES!

Well my fellow pussy lovers, Summer has finally arrived, and we are beginning to see more female flesh as the weather gets warmer; much to our delight. That said let's dive into this issue, starting with **Dava & Nova** sampling each others' goodies. Next up is Adult legend **Jeannie Pepper**, followed by our feline covergirl **Cheeta**. Our centerfold girls, **Lexis & Precious** will cause a major meltdown on your johnson, as they eat each other out in the back of a limo. And if that wasn't enough, check out our brother **Lexington Steele** doing the nasty with Adult star **Sydney Steele**. For the finale, we have a return visit from **Lolita**, and the aptly

named **White Diamond** giving her impersonation of 50's pinup legend **Betty Page**. We also have some new sections; **F u c k F l i x x x** video review &

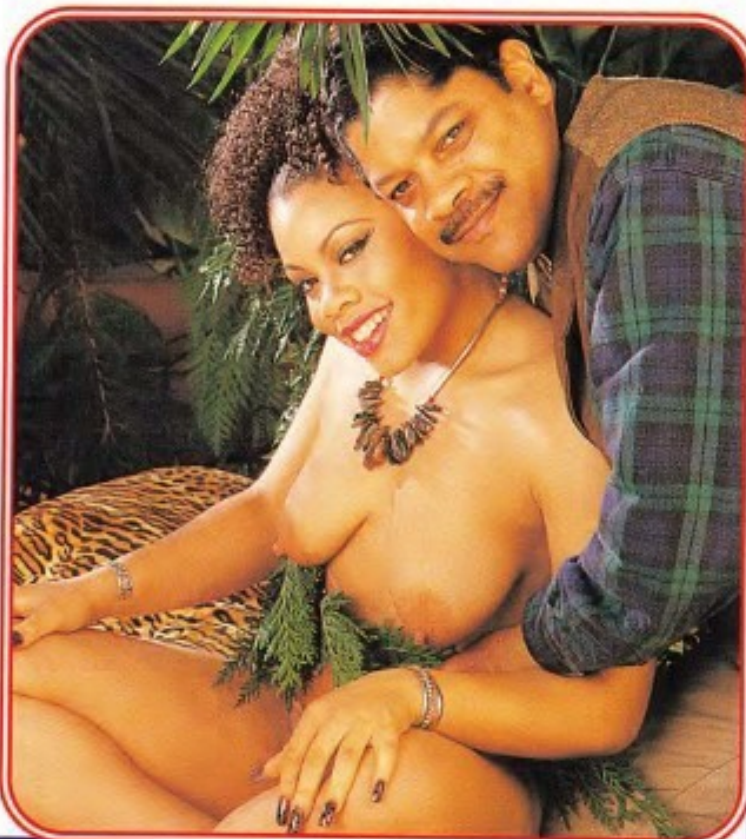

The Night Life, which will cover the club scene.

As always, our goal is to bring you the finest diversity of sistas on the planet, and if you want to write to them, send us a line, we promise to pass them along. Also let us know what you you like or don't like about **Black Lust**.

THOUGH 'OFFICIALLY RETIRED' SHE CAN BE SEEN CURRENTLY IN AFRO-DISIAC 111 DOING THE NASTY WITH OUR VERY OWN LEXINGTON STEELE. champagne and licks it off her body, and off they go. Imani is wet and wild, and and Ian gets the best end of the deal, getting a lesson in Black loving he won't soon forget.

There's also Menage, as a funky firefighter in "3 Alarm Coochie." She "rescues" young Michael J. Cox from some smoke and then has him service her from mouth to ass, her luscious pussy in between. He gets to cum on the smoke visor of her helmet! There's an incredible "Funky Food Fight" starring Soul Sister Juicy, and Soul Sister Delicious, each more luscious than the other, with massive brothers Byron Long and Devlin Weed fucking both babes to mucho orgasmos amid a flurry of kool whipped cream, papayas, and cherries which are put to especially good use by both of the ladies. Finally in "White Trash" chesty beauty Naomi, as a cop, makes cowboy moron Dave Hardman pay for peeing in public by sucking his dick, getting licked out and then having him service her hot tight pussy. You'll go: "Please put me under arrest!"

Tales From The Black Side is satisfying sexual entertainment with some knockout sistas we hope we'll see more of - a lot more of.
